To deliver and manage emails we send, we use MailChimp, one of the most well respected email management companies that exists. MailChimp's Privacy Policy protects your privacy and inbox. [MailChimp's Privacy Policy protects your privacy and inbox.](#)

We will not share, give away, or sell your email address. The only exception to this might be if we sell our email business. If that appears to be a possibility, you will be given at least a four-week notice so you can opt out before the sale.
